

# TENNIS IN THE PARKS

Led by an approved USTA Net Generation tennis coach, the program will focus on developing the skills to serve, rally and play - so it's perfect for beginners and first-time players. Once the skills are there, participants will play fun matches with other players in the program.

This program uses modified tennis balls, age-appropriate rackets, court sizes, and the latest fun and engaging activities that help players successfully learn and play the game quicker!

All players in their first session receive and keep a new age-appropriate racket, tennis ball, and a program tee shirt!
