PSA REQUEST

## **Barre City Yard Waste Disposal**

The City of Barre is working with the Town of Barre to schedule a Yard Waste Disposal Event for City residents at the Barre Town Yard Waste site located on Upper Holden Road across from the Rock of Ages Visitors Center.

**Dates have yet to be firmed up, but the likely schedule will be mid-to-late October. An announcement will be posted with final dates once arranged with the Town.**

Leaves, brush, grass and other vegetative matter must be deposited in designated area.

Maximum brush size is 5" in diameter; larger tree branches and trunks may be left in the designated firewood area.

**Prohibited** materials include metal, animal manure, animal carcasses, household garbage, kitty litter, large trash items, bags, boxes, rope, string, plastic, dirt, stones, stumps, lumber, pallets, bricks, blocks, concrete, and asphalt.

**Littering and illegal dumping are prohibited.**  
**Plastic trash bags must be removed from site.**

The Barre City Public Works Department will also conduct curbside pick-up of lawn waste from Monday, October 29 through Friday, November 2.
