

Barre City Neighborhood Playgrounds

Thanks to a generous donation from the Semprebon Committee along with other funding, several neighborhood playgrounds were upgraded. These playgrounds are located here in Barre City and offer children and families a place to play, have fun, meet new friends and even enjoy a picnic! All of our playgrounds are now “Smoke Free” zones.

Nativi Playground—Located on River Street

This neighborhood play area is complete with a play structure and a non-regulation basketball court.

Vine Street—Located on Vine Street

A brand new play structure was added and is complete with slides, climbing challenges and more. A new swing set was also added. This playground is located on a dead end street and is ideal for younger children.

Charlie's Playground 2012 - Located in Rotary Park—Below BCEMS

Two new structures were added in the summer of 2012, replacing the wooden Playground 2000. There is one structure designed for youngsters 2—5 years of age and one for 5—12 years of age. There are climbing walls, several slides, physical challenges, games, and more all throughout the structure. New swing sets were also added that included 2 tire swings, belt swings and 2 swings for physically challenged Individuals and young toddlers.

Mathewson Play Area— Corner of Elm and Summer Streets

This sizeable play area is complete with slides, a climbing apparatus, and more. Over the course of 2012 the wall around the playground was repaired, a new fence was installed and benches were repaired. A new swing set has also been added. In the fall of 2018 a new structure and a rubberized ground cover was completed.

Wobby Park— Adjacent to the Public Safety Building

This area has a new play structure designed for youngsters 5—12 years of age. There are swings, green space and a shelter with a picnic table. There is also a non-regulation size basketball court. The area is enclosed with a fence.

Garfield Play Area- Corner of Garfield and Lincoln Avenues

This play structure is complete with a climbing apparatus, slides, a fireman's pole and more. A new swing set was recently added to this area. There is plenty of room for Frisbee games, toss and catch and other family recreational activities.
