

Young Rembrandts Animal Drawing/Cartooning Camp

We are now offering a summer camp for youngsters who like to draw! No prior experience is required just those who like to draw and who want to learn more.

A variety of animals will inspire us in this camp—with both cartooning and drawing. Expressions, human characteristics, movement, action and joke sequencing will be centered on different animals. This is a popular camp for animal lovers and cartoon enthusiasts alike. Students will use pencils, markers and Sharpies™ to complete their cartoons.

When we get tired of cartooning and being silly, we will turn our attention to drawing more serious animal pictures. We will imagine ourselves at the zoo as we learn to draw a wide variety of animals. Our final day will result in one large scene of the zoo, divided into several habitats and incorporating the many animal friends we have learned to draw. Markers or color pencils will complete our realistic or graphic style drawings.
