Subject: Mosaic Vermont Request

Hello,

Mosaic Vermont Inc. (Mosaic), formerly known as the Sexual Assault Crisis Team of Washington County (SACT) respectfully requests that you approve our ongoing emergency housing project in order for us to apply for continued Housing Opportunity Grant Program (HOP) funding. There is an attached form that requires a signature for this request.

For nearly twenty years, Mosaic has operated an emergency shelter in Barre City for people who are homeless due to fleeing sexual violence and/or sex trafficking. Thanks in part to your approval in 2019, we received a total of \$20,000 in operations funding from July 1, 2019 through June 30 of this year.

This new funding cycle is for one year: July 1, 2021 through June 30, 2022, and with the pre-approval of the Washington County Continuum of Care team in which we are an active member, we are applying for \$15,000 in HOP shelter operations funding.

The people who Mosaic supports in our shelter often have unique and complicated trauma-related needs. Mosaic offers comprehensive services that support people in accessing services to meet their healing and permanency goals. Please continue to support Mosaic in acquiring the resources necessary to perform this important community service.

Please let me know if you have any questions.

Thank you,
Anne

Civic Center Committee Responsibilities

The Civic Center Complex is a versatile center for community members in the greater central Vermont region and beyond. The Civic Center Committee serves in an advisory role to Barre's City Manager and City Council on matters concerning the Complex. The following are areas of focus:

- Advise on matters related to the Civic Center Complex, including the Auditorium (AUD), Alumni Hall, BOR, and potentially other Barre City properties on an as-needed basis.
- Assess facility needs for greater functionality and make recommendations for maintenance, repairs, renovations, new construction, and new uses.
- Review budgets and assist with financial decisions concerning the various current and potential uses of the Civic Center Complex, such as setting rates.
- Share professional relationships in the community and beyond that enhance and expand future uses of the Civic Center Complex.
- Serve as a communications hub for coaches, community groups, show presenters, school administrators, and other community members who want to learn about and use the Civic Center Complex.
- Meet regularly to discuss with staff, Committee members, and partners short- and long-term strategies and programs that increase use of the Civic Center Complex.
- Assist in attracting new renters, vendors, exhibitors, banner supporters, and other partners in order to enhance use of the Civic Center Complex.

Priorities of the Civic Center Committee, 2021-22:

The Committee will continue to work with key staff members to situate the Civic Center Complex for expanded community uses and begin the process of rebuilding the schedule that collapsed during the COVID pandemic. In addition, the Committee will work to increase and optimize the multiple uses of the Civic Center Complex including shows, programs, EXPOs, and other community activities. The Committee will continue to identify, prioritize, and follow through with needed maintenance, repairs, and renovations that assist in attracting previous and new Civic Center Complex users. As it has during the COVID pandemic, the Civic Center Committee will remain responsive to new uses, such as emergency health responses and other essential areas of support to the greater Central Vermont community.

BRIEFING MEMO

TO: City Council
FR: The Manager
CC: Department Heads
DATE: 05/16/21
SUBJECT: 05/18/21 Council Agenda Item 9.H - Bonds Update

Councilors:

In addition to the detailed spreadsheets attached, I provide this Cover Memo as a concise overview of the Status of the following Bonds approved by the Council and voters since 2018 summarized as follows:

<u>Town Mtg Date</u>	<u>Amount</u>	<u>Purpose</u>
March 2018	\$1.15M	Infrastructure, Facilities, Equipment
March 2018	\$720,000	Pool Refurbishment
Nov. 2018	\$900,000	WWTF Biolsolids Improvements
March 2019	\$560,000	Facilities, Infrastructure, TIF Audit
March 2019	\$2.5M	Infrastructure
March 2019	\$1.7 M	Equipment, Infrastructure

Subject to confirmation from Treasurer Carol Dawes, I believe all of the bonds have been sold through the Vermont Bond Bank and any unexpended bond proceeds to date are earning interest to help defray interest expenses incurred to date.

The attached three (3) pdf spreadsheets were prepared by Dawn Monahan from the original itemized bond proposals and are used to code and track bond expenses every 2-3 weeks to monitor and manage both progress and expenses. I have also annotated each of the spreadsheets to assist your review. The spreadsheets provide expenditure details on an item by item basis.

Following is the Color Code Legend to facilitate an expedient review of each spreadsheet and the item status within each.

Procurement Status Color Code	
Procured	Item acquisition/implementation complete; no further expense to this line item
In-Process	Acquisition/implementation in process, item not yet complete
Awaiting RFQ Preparation	Awaiting Preparation of Procumbent Documents; no expense incurred to date
On-hold/Deferred	Acquisition/implementation on hold awaiting determination of contingency need
Canceled	Acquisition/implementation expense abated; allocation to (pool) contingency

Lastly, following is a quantitative summary of the status of each bond.

Quantitative Completion Status Summary

Bond/Note	No. of Items	Items Complete	Items Complete (%)	Items Complete (\$)	Dollars Expended (%)
\$1.15M	9	8	89%	\$1,118,017	97%

\$2.5M	10	2	20%	\$86,460	3%
\$1.7 M	25	12	48%	\$894,547	53%

From a holistic perspective, we have expended \$3.364 M of the authorized \$7.495 M, or approximately 45% to-date.

Re: Department Head Reports

Report Date: May 14, 2021

In order to keep you informed of the Department activities of the office, I'm forwarding this report of activities of the City staff for the previous Friday - Thursday. If there are any additional questions please do not hesitate to ask.

1. CLERK/TREASURER'S OFFICE:

- **COVID REPORT:** City Hall remains closed to the public. The vault in the Clerk's office is open by appointment only on Tuesdays, Thursdays and Fridays. Most other services are being provided through the mail, email or passing documents through the front door. In light of the recent CDC guidance on masks, we expect changes in our procedures in the near future.
- Continuing to work on TIF state audit. The exit interview is scheduled for June 11th. We will begin reviewing parts of the draft report for comment, and the final report is expected to be completed by June-July.
- The school budget revote was May 11th as a drive-through in the BOR. While the budget vote passed in Barre City, the margin wasn't enough to overcome the loss in Barre Town. The BUUSD school board has set the next revote for Wednesday, June 9th. We will again vote in the BOR, and absentee ballots will again be mailed to those who received them for the March annual town meeting and/or the May 11th budget revote. It's a very quick turnaround between mailing the ballots and the day of the election, so ballots will need to be returned quickly.
- We have received a number of abatement requests since our last hearing in February 2020. The intention is to bring the requests before the Board of Abatement before the end of May. Last year's COVID legislation allowing the Council to act as the Board of Abatement during the Governor's emergency order expired at the end of calendar year 2020, so the full BOA will need to meet to hear the requests.

- H.444: Barre City's charter changes. The legislature has re-written the Barre City voter-approved charter changes. They removed the flag language, and added a caveat to the speed limit language, stating any change in the speed limits would need to comply with statute and AOT guidelines. It's likely the language will pass as revised with little input from the City.
- The 4th quarter property taxes are due by May 17th, as the 15th falls on a Saturday.

2. BUILDING AND COMMUNITY SERVICES:

- Washington County Mental Health Services held a meeting on Monday in the main room of Alumni Hall.
- The Central Vermont Disaster Animal Rescue Team held a meeting on Monday evening in the BOR.
- I participated in the Civic Center Committee meeting on Tuesday morning.
- The school budget revote was held on Tuesday evening in the BOR.
- The Seacoast Security Systems Company was on site Wednesday morning at the pool bathhouse to install an upgrade to the security system.
- The DMV conducted CDL testing on Wednesday in the Civic Center Parking lot.
- On Wednesday, I had my weekly projects update meeting with the City Manager. I also met with the Manager and DPW Director regarding coordination between the two departments working on projects.
- I attended the Tree Committee meeting on Wednesday evening at the tree nursery site in Orange.
- On Thursday, I met with a technician from Accessibility Systems at the BOR to make repairs to the wheelchair lift in the concession area. Also on Thursday, I met with the DPW Director and the Engineering Technician to coordinate our work schedules regarding the force work for the pool project.
- On Thursday evening I participated in the Planning Committee meeting.
- On Friday, the Vermont National Guard held a second dose COVID vaccination clinic in the AUD. This is the last scheduled clinic here at the AUD. The Vermont Health Department has begun removing their supplies as they are now conducting "pop-up" clinics around the region. There is still the possibility of the VDH conducting a "pop-up" clinic or more here in the future.
- The Facilities crew spent the week mowing, trimming and cleaning all the playgrounds in advance of Saturday's "Visit the Playgrounds" event. They also removed or painted over any graffiti. We began making a list of damaged/vandalized equipment so that we can get pricing and begin to repair/replace as needed. We also worked on the softball field at Farwell in preparation of the Women's' League starting Monday evening. We also started moving materials to the pool in anticipation of moving the "temporary construction" fence back and installing the new fence later this month. Painting in the City Hall lobby continued during this past week.
- The cemeteries are being mowed and trimmed with a crew of four and we have been prepping the flower beds at the lots that have purchased flower funds. Planting will begin the week of May 10. The Facilities crew will be assisting with mowing and trimming in

the cemeteries near the end of the month as we prepare for Memorial Day. During the week we had two full burials, three cremation inurnments and three vault removals.

2a. RECREATION:
