Mayor Herring noted he hadn't started recording at the beginning of the meeting. He wasn't able to start the recording at this point due to technical difficulties with the video platform.

**New Business –**

**A) Set FY21 Municipal Tax Rate.**

Clerk Dawes reviewed the different sections of the draft FY21 municipal tax rate calculation sheet. Manager Mackenzie reviewed his draft tax rate sheet and noted corrections in his calculations which resulted in a lower percentage increase in the proposed municipal tax rate. There was discussion on the impact of the miscalculation, and the possibility of adjusting the budget accordingly.

Councilor Morey made the motion to reconsider last week's action to approve the FY21 budget, seconded by Councilor Steinman. **Motion carried on roll call vote, with Councilor Waszazak voting against.**

Councilor Morey said he would support reinstating some of the Barre Area Development Corporation funding that had been cut in the budget approved last week. BADC president Sarah Field reviewed her memo outlining past and current initiatives by the organization. Ms. Field said they are requesting reinstatement of their full funding, and spoke of the difficulties in hiring a new executive director when the financial stability of the organization is in question.

N.B. It was noted by the minute taker at 7:05 PM that the meeting was now being recorded on the video platform.

There was discussion on budget revisions, how to plan during the pandemic, and the possible length of the impact from the pandemic.

BADC board member Robert Hutchins spoke of the creation of the revolving loan fund, and how the expectation is that the next executive director will raise BADC to the next level.

Clerk Dawes said the municipal tax rate cannot raise more money than what the voters approved at the Annual Town Meeting election in March 2020. There was discussion on additional sources of revenue for BADC operations, use of Semprebon funds in the City's municipal budget, and spending on streets and infrastructure.

Councilor Morey made the motion to restore \$23,489 in funding to BADC in the FY21 municipal budget. The motion was seconded by Councilor Boutin. There was discussion on BADC funding and what changes should be made to the FY21 budget at this time, previous budget drafts and the funding levels for BADC, Barre Partnership and the Aldrich Library.

Councilor Boutin withdrew his second to the motion. Hearing no new second, Mayor Herring declared the motion dead for lack of a second.

Councilor Boutin made the motion to set the FY21 municipal tax rate at \$1.9141 as calculated by Clerk Dawes. The motion was seconded by Councilor Steinman.

Councilor Steinman made the motion to set the budgeted allocations for BADC and the Barre Partnership at the amounts included in the budget approved by the voters minus \$2,000 for each organization, and to set the allocation for the Aldrich Library at the amount included in the voter-approved budget minus \$4,000. The motion died for lack of a second.

Councilor Waszazak made the motion to affirm last week's approved budget, seconded by Councilor

Hemmerick. Councilor Hemmerick said the Council wasn't in a position this evening to make adjustments to the budget approved at last week's meeting. He said they couldn't address the BADC funding request this evening, but there is support in the room and BADC can assure executive director candidates that the City will support the organization.

**Motion did not carry on roll call vote with Councilors Hemmerick, Waszazak and Reil voting in favor, and Mayor Herring and Councilors Morey, Steinman and Boutin voting against.**

Councilor Boutin made the motion to table the FY21 budget discussion until next week's meeting, seconded by Councilor Steinman. **Motion carried on roll call vote with Mayor Herring and Councilors Boutin, Steinman and Hemmerick voting in favor, and Councilors Waszazak, Morey and Reil voting against.**

**Executive Session –**

Councilor Boutin made the motion to find that premature general public knowledge of personnel and legal issues to be discussed would clearly place the City of Barre at a substantial disadvantage should the discussion be public. The motion was seconded by Councilor Steinman. **Motion carried on roll call vote, with all voting in favor.**

Council went into executive session at 8:09 PM to discuss personnel and legal issues under the provisions of 1 VSA § 313 on motion of Councilor Boutin, seconded by Councilor Steinman. **Motion carried on roll call vote, with all voting in favor.**

Manager Mackenzie was invited into the executive session.

Councilor Morey left the meeting at 8:11 PM.

Council came out of executive session at 9:20 PM on motion of Councilor Hemmerick, seconded by Councilor Waszazak. **Motion carried on roll call vote, with all voting in favor.**

There was discussion related to the Salvation Army Settlement request. Councilor Waszazak made the motion to approve language to define length of the vehicle by removing "vehicle larger than a minivan" and replacing it with "vehicle no longer than 12 feet". The motion was seconded by Councilor Boutin. **Motion carried on roll call vote with Mayor Herring and Councilors Waszazak, Reil and Boutin voting in favor, Councilor Steinman abstaining, and Councilor Hemmerick recusing.**

Barre City resident and home owner. As a student of history, and for a period, a teacher of it, I have an understanding of the dangers of treating people differently due to perceived differences. I have also seen first hand what happens both when everyone is respected for who they are and also when people are treated badly because of who they are.

I wish to help make sure that Barre City is a place where the first occurs and not the second.

Hello Mayor Herring and City Manager Mackenzie,

I am writing you to express my interest in being considered for a position in the Civilian Oversight and Advisory Board. I am currently working as a Family Services Worker with Vermont Department for Children and Families. I have a Masters Degree in Criminal Justice from Michigan State University. I am a white woman. I would respect and hope that a person of color would be considered over me for this position. I am a staunch advocate for Black Lives Matter, civil rights, and equality in all realms of society. In my current work, focus is placed on considering culture, socioeconomic status, and values in treatment of clients and decision-making. I respect law enforcement and see the need for a well-educated, ethical department to support law and order in the communities. However, I advocate for the idea of "defunding" police departments in order to transfer resources to the community agencies with specialties in mental health, alcohol and drug addictions, homelessness, etc, narrowing the focus of law enforcement officers to criminal behavior. This would be a huge step in the progression in the quality of life, however, it may also open up more need for an oversight board to ensure legal and ethical behavior and responses by the police officers. I have attached my resume for your review. Thank you for your consideration and I would welcome an opportunity to meet with you to discuss further my potential fit for this position.

Sincerely,

Kacey L. Bitgood

Hello, I am writing to state my intention to be considered for this board.

I grew up in Montpelier, and chose to move back to the central Vermont area from Minneapolis/St Paul area where I attended college and was teaching 1st grade . I wanted my kids to grow up here.

We have stayed and continued to try to support and give back to our community, even after a flood deemed our home of 15 years un- inhabitable in the Spring of 2011. We then chose to start another small business ( my husband is an independent building contractor ) and opened the bookstore in February, 2012.

The challenges in Barre are no surprise to us , having lived here since 1993, and having a store on Main Street for 8 1/2 years. I would love to be considered to be part of this board.

Thank your u!

Hi All,

I'd also like to officially submit my name for joining the Cow Pasture committee. I look forward to being a part of protecting and promoting this great community forest. Living in the small city of Barre, it's great to have access to nature close-by, albeit at the top of a very steep hill! I utilize the park for dog walking, hiking, biking, and birdwatching throughout the year. With my background in natural resources and photography I believe I will be an asset to this group. Thank you for your consideration!

I am available the evening of Wednesday, August 5th at 6pm. I'll plan to attend the city council meeting via zoom.

Jim

<sup>1</sup>This is actually a count for the inspection type. A single inspection with two types will total as two not one.

<sup>2</sup>Cleared violations from re-inspections outside the date range ARE included if initial inspection falls within date range.

<sup>3</sup>One re-inspection can encompass multiple inspection types - this is why the re-inspection type-specific total is frequently greater than the # of inspections.

<sup>FS</sup>Fire Safety Inspection.

<sup>5</sup>Filtering out portal inspections can cause violations cited to be less than violations cleared (violation cited count comes from both department and portal inspections, while violations cleared only come from department inspections).
