

FEMA Provides Assistance Beyond Home Repair

Vermont homeowners and renters in Caledonia, Chittenden, Lamoille, Orange, Orleans, Rutland, Washington, Windham and Windsor counties who were affected by the severe storms, flooding, landslides and mudslides that occurred beginning July 7, 2023, and continue may be eligible for FEMA grants for personal property losses and other eligible expenses.

Individuals and Households Program

FEMA's Individuals and Households Program (IHP) provides assistance to eligible individuals and households who have uninsured or underinsured necessary expenses and serious needs as a result of the July severe storms, flooding, landslides and mudslides. This includes assistance beyond home repair.

The amount and types of assistance are determined by your expenses, and may include:

- Medical and Dental Assistance
- Child Care Assistance
- Assistance for Miscellaneous Items
- Moving and Storage Assistance
- Funeral Assistance

Other types of assistance are only available if an applicant applies for a disaster loan from the U.S. Small Business Administration (SBA), and does not qualify. Completing the application does not mean you have to accept a loan. The additional assistance that may be available includes:

- Personal Property Assistance
- Transportation Assistance
- Group Flood Insurance Policy (GFIP)
