VOLUNTARY WATER CONSERVATION NOTICE

Due to the extended period of very dry weather over the summer, and the near term forecast for limited precipitation, the water level and stored reserve in the City’s Dix Reservoir has dropped significantly. As a precautionary measure, **all customers of the Barre City Water System, including those in Barre Town, are urged to reduce water use as much as possible until further notice.** It is anticipated this Conservation Notice will be in effect for the next 30 days unless otherwise modified.

Steven E. Mackenzie, P.E.
Barre City Manager
