Asbestos Removal

The City of Barre Buildings and Community Services Department is looking for bids for the removal and disposal of approximately three hundred linear feet of four-inch heat pipe insulation wrap in the boiler room and storage area hallway of Barre City Hall located at 6 North Main Street.

- The Contractor will be responsible for all materials and labor to complete the project. As well as securing air tests and permits.
- All work must be done in accordance with OSHA, VOSHA, and State and Federal law pertaining to asbestos removal.
- The contractor will be responsible for the proper disposal of material to an EPA approved site.
- The contractor may schedule the work at their reasonable convenience as coordinated with the City.

An onsite visit (masks and social distancing required) will be held: on **Friday, May 22 at 9:30 AM**. Bids are due by: **Friday, May 29 at 11:00 AM**, and should be sent to: Jeff Bergeron, Director of Buildings and Community Services at the address above.
