

## **CITY OF BARRE**

### **NOTICE of SUMMER STREET TRAFFIC PATTERN CHANGE**

On Tuesday, April 23rd, the Barre City Department of Public Works will be repairing the Summer Street retaining wall in preparation for installation of the Rotary Mural. A two-way lane shift will be implemented to allow for this work. This lane shift will be located between Pearl Street (Summer Street Auto) and Buzzell Place (O'Reilly Auto Parts). The duration of this change is anticipated to be approximately 4 weeks to allow for the wall repair and installation of the mural panels.
