

VERMONT AGENCY OF TRANSPORTATION

The Vermont Agency of Transportation invites you to attend a

Public Information Meeting

Tuesday, January 8, 2019

7:00 PM

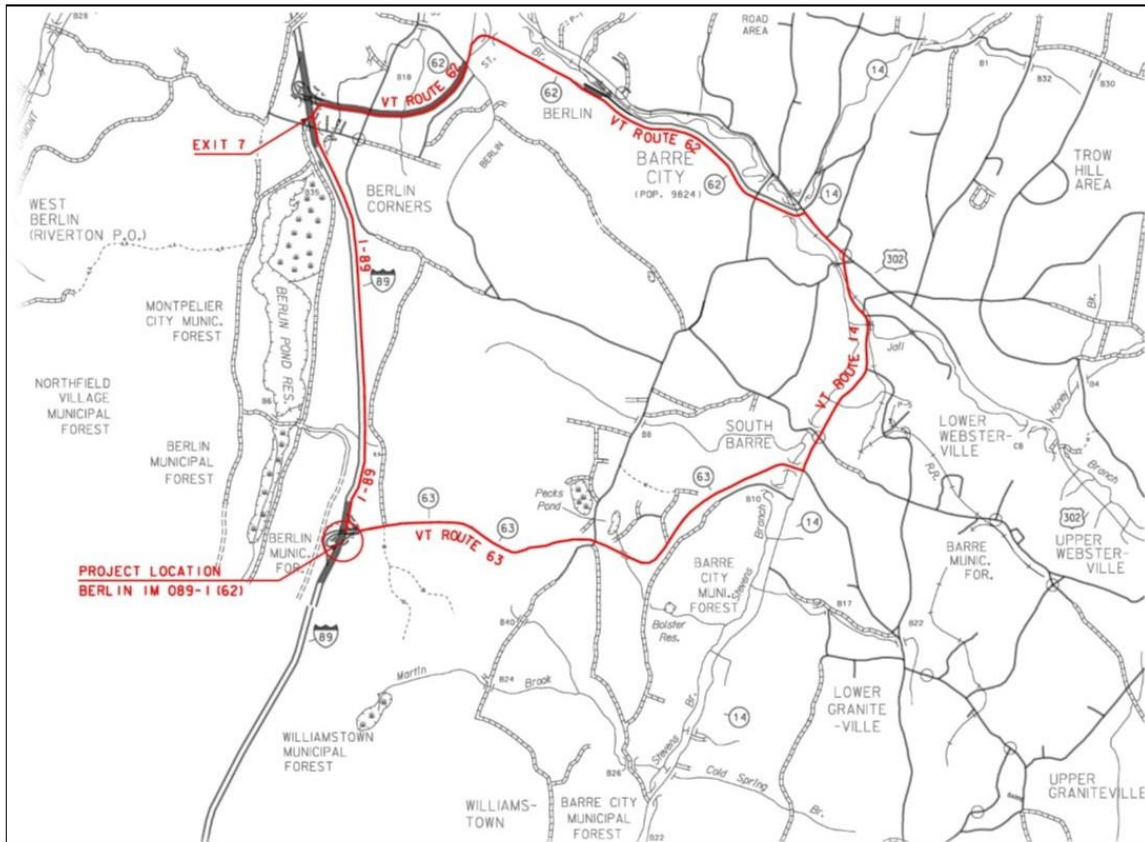

City Council Chambers

6 North Main St.

Barre, VT

The purpose of this meeting is to present the public with information on the I-89 Exit 6 ledge removal and closure period during the summer of 2019. Blasting operations will be required throughout the course of this project, and as a result traffic will be maintained along I-89 using rolling road blocks. It is anticipated however that Exit 6 will be closed for approximately six (6) weeks while work is being conducted to the adjacent ledge area along Exit 6. Discussion of the scope of work necessitating the closure will be addressed.

This meeting will provide information on the construction schedule, detour route, and sources of information during construction.

Please contact project outreach coordinator Natalie Boyle at (802) 855-3893 or nboyle@eivtech.com if you have any questions.
