

ATTENTION BARRE CITY TAXPAYERS

Please use the 2nd quarter tax amount listed on the “interim” bill that was issued back in August.

We will be working diligently, after we close our 2nd quarter, to produce the final tax bill, including adjustments reflecting the “NEW” voter approved BUUSD budget.

The state has recently issued the education tax rate, and we will use this percentage for our final tax bill.

We appreciate your patience and understanding.
