PSA REQUEST

Barre City Yard Waste Pick Up

Barre City will be picking up yard waste during the week of November 12 this year. Please help keep our streets and waterways free from yard wastes and leaves. This year the City yard waste collection will occur with an emphasis on Ward by Ward service again. It is important to note these dates and make certain that your leaves and yard waste are properly placed curbside on the first announced dates of your ward. Late pickups may not be available due to commitments in the Public Works Departments to other high priority activities.

Pickup dates are as follows:

| | |
|---------------|---|
| Ward 1 | Monday, November 12 Tuesday, November 13 |
| Ward 2 | Tuesday, November 13 Wednesday, November 14 |
| Ward 3 | Wednesday, November 14 Thursday, November 15 |
