4. Visitors and communications

Input from the public for items not on the agenda.
5. Department of Public Works monthly transportation report (10 minutes)
 1. Department staff reports on transportation work and planning since the previous meeting.
 2. Note new resident concerns as raised to staff
6. New business
 1. Review speed sign locations (5 minutes)

Staff will present the four current digital speed sign installation locations. The committee will consider a decision to place an order for more signs.
 2. Allen Street at Prospect Street (20 minutes)

Review short term intervention proposed by staff and discuss conceptual design for a change to the intersection geometry similar to Perry Street at Hill Street.
 3. Rectangular Rapid Flashing Beacons (RRFB) at crosswalks (20 minutes)

The committee has an item on the backlog to consider one of these flashing pedestrian indicators at the crosswalk at Tilden House, but staff recommends that is not a good location because of visual complexity. Staff will provide a short list of recommended RRFB locations and the TAC will consider and advise on location selection. The city plans to purchase and install at least one.
 4. Merchant Street and Warren Street paving project (15 minutes)

Staff will present potential traffic calming elements that may be employed during reconstruction of Merchant Street and Warren Street from the FY2023 streets and sidewalks capital plan. The committee may provide guidance on those elements.

7. Confirm date of next meeting

1. May 18, 2022

8. Roundtable
