

CITY OF BARRE MEETING MINUTES

Committee/board: Paths, Routes & Trails Committee

Date of meeting: June 12, 2019

Location of meeting: City Hall

Board/committee members in attendance: Steve Mackenzie, Stephanie Quaranta, Giuliano Ceechinelli, Charlie Dindo, Mark Martin, Bill Ahearn, Karen Nelson

Board/committee members absent: Ben Brown, Scott Bascom, Dan Souza _____

Others in attendance: Mayor Herring

Topic(s) Discussed (use additional sheets as necessary):

The meeting started with introductions as we have a few new committee members – new members welcomed. City Engineer Bill Ahearn provided a detailed overview of the Barre City Pedestrian Safety Working Group Proposed Infrastructure improvements. These improvements were suggested to help make Barre City safer with modifications that will assist with parking, visibility, walkability and more. The information clearly indicated why it was suggested that the two committees merge. One example was on Granite Street and if implemented may help the bike path with a connection to the other segments. Board members welcomed the information and had a few comments, suggestions, which will help as we move forward. It was recommended that if members were out to go to the streets that were discussed to take a look with an eye to some of the proposed improvements. “Pop Ups” through Local Motion will be used to allow the community a chance to try some of the changes and gather feedback. This is a valuable resource that we are looking forward to use this summer in a few areas.

A walking tour of Metro Way will be held at a later date as we have a few new members on the committee.
