Others in attendance:

February vacation activities at the AUD were successful. The morning program for younger children was well attended as was the afternoon open gym. Public Skating and Stick and Puck had very low attendance. Coming up in May at the AUD is the Tiny Tykes Soccer program as well as a K-2 Intro to Lacrosse program in the spring. The summer Challenger Soccer camp has been set up for a week in July. This is a half-day camp. There is a one hour (per day for the week) morning camp for young children. This was popular last year as were the other programs. The Egg Hunt is scheduled for April 20 with more information next meeting. The board got a glimpse of a drawing on the pool renovations that are currently in discussion. An advocacy group is meeting on the pool as well as a team of Barre City personnel. A presentation to the City Council will be coming in the near future. Stephanie, Kelly and Maureen will work on a few questions for a small survey monkey. The group discussed skate rentals and all appeared to agree not having rentals on site had an impact on those who might have attended skating sessions this winter.
