**Board/committee members absent:** Linda Couture, Kelly Ross,

Visitor: Jake Hemmerick

**Topic(s) Discussed (use additional sheets as necessary):**

Breakfast With Santa was a success and will be scheduled again for next year. Everyone enjoyed the meal, Santa and Chris and his Purple guitar. Stephanie thanked board members for assisting at the event. Programs for the summer were introduced. There will be a half day/week long Science Camp for K-5, A Wicked Cool VET camp for those interested in animals – one week, full day camp and Wicked Cool Robotics 2 – one week, full day camp. These camps will meet in Alumni Hall and will be run by the company “Wicked Cool”. The USTA returns for tennis lessons a 6 week program will provide instruction and included in the fee, a tennis racquet, ball and t-shirt. The USTA oversees the program with a set curriculum. Challenger Sports returns for a week long camp that will run for an hour in the morning for youngsters ages 4 – 5. This has been a very popular program for that group. A half day soccer camp will run the same week after the first hour of the younger group. A full day / week long camp will be set up that at this point looks like a 6 week camp. The hope is to be based at BCEMS as they have the gym, cafeteria and meal program, outdoor areas, classrooms and easy access to all we have in Rotary Park. A VOREC (Vermont Outdoor Recreation Grant) application was also discussed.

Meeting adjourned 6:00 p.m.
