

**Barre City Tree Stewardship Committee
Regular Meeting (Alumni Hall, 1st Floor Conference Room, enter in the rear of building)
Feb. 10, 2022 at 5:30pm-6:30pm (Every Second Thursday of Month)**

In-Person Meeting:

**Staff Present: Jeff Bergeron
Committee Members Present: Conor Teal**

(Committee did not make quorum, and no decisions were made.)

Agenda:

1. Call to Order and Changes to Agenda

Conor called the meeting to order at 5:42pm.

2. Tree Ordinance Amendment Update

Jeff: Still working on the tree ordinance amendment wording. There'll be updates, but the ordinance will refer to the State Statute in many cases.

3. Main Street Trees and Tree Guards Update

Jeff: Will reach out to City staff to get an update about the tree guards status. He will recommend getting one completed model built soon so he'll be able to show City Council and the Tree Committee a finished product to review. He will try and get a photo of the model as soon as its done.

4. Tree Nursery Update

Jeff: Nothing new to report. He reminded the Committee that there is Hemlock lumber available for framing up the future water tank. Will aim to get this built in the spring. He may have funds in his budget to purchase a 100 gallon water tank.

5. Outreach for Volunteers/Committee Members

Jeff will reach out to the City Manager to ask City Council to send out requests for additional committee members.

6. Draft March Agenda

Committee will use the same agenda for March.

7. Adjourn

Committee adjourned at 6:00p.
